

## ST JOHN PAYNE CATHOLIC SCHOOL

### Extra-curricular Activities and Events 2023-24

At St John Payne Catholic School our extra-curricular provision is very important to the day to day life of our school community, enabling our students to develop their love for learning, as well as develop socially and spiritually.

We run a variety of clubs and activities for all year groups throughout the year which are outlined in this booklet. Educational trips and visits also run throughout the year offering students the opportunity to consolidate their learning, grow in faith and experience the wider world.
